### Please give an offering with a Heart of Worship!

Offering is an act of worship that acknowledges God's sovereignty over our lives. Therefore, we must first present ourselves as living sacrifices and pleasing offerings to God. We should also give thanks and pray that the blessings He has bestowed upon us may serve as the hands and feet of Jesus, bringing salvation to many people.

Matthew 22:37 "Love the Lord your God with all your heart and with all your soul and with all your mind."
