April Second Mile Offering: Cass Community Services
On the last Sunday of each month, we offer what we call a 2nd Mile Offering where we support a local charity or global ministry. This month's 2nd Mile Offering is for Cass Community Services, a Detroit-based non-profit that provides programs for food, health, housing and jobs.

Why do we call it 2nd Mile Offering? It's from Matthew 5:41, that says "If anyone forces you to go one mile, go with them two miles." This means we ask our church family to go the "extra mile" and financially support a meaningful ministry in addition to weekly tithing.

Taking it home: How does it affect you to "remember" your situation before you knew Christ (2:11-12)? How are you encouraged by meditating on your new status (vv. 13, 19-22)? How should this passage change the way we think about the church? How do you experience the core value of "family" in Thrive Church?
